

Inspired by the topography of
the mountainous region of Kōchi,
A contemporary space designed for intimate
gatherings and quiet solitude alike, it is a stage
for showcasing an exquisite collection of sake and
bespoke cocktails.

Across the foyer, the sun sets and the moon rises.
Under the moonlight, diners are welcomed to savour
what is on offer in the Sake Lounge as the night falls
away in this intimate space. The Sake Lounge is
anchored by a facet-edged feature wall, where
bottles of sake proudly perch. The VIP room is tucked
away for private dining that is lit by the glimmer of the
beautiful pendant light, as the guests dine in absolute
privacy under the stars.
